Licensed Assisted Living & Alzheimer's
Special Care in a Home-Like Setting

At Country Comfort Retirement Homes (CCRH),

we focus on a customized care approach for each resident. This includes staffing ratios that are rarely found in larger facilities. CCRH residents receive individualized time and care from professional and experienced staff 24-hours every day.

Senior Day Care

CCRH offers a Senior Day Care program on a weekly, daily, or hourly visit depending on the need. While at CCRH, clients will receive meals, activities, ADL assist, and supervision just as our permanent residents do. This program is a good way to give an everyday caregiver, such as a spouse or child, a break.

Alzheimer's Special Care

"Safe Haven"

CCRH's "Safe Haven" provides a cozy home feeling as well as a secured wander area for those suffering from memory loss disorders. A holistic approach is used by our staff to create a nurturing, calm, and stress-free environment 24-hours a day:

- Daily therapeutic exercise program
- Small quiet dining & living areas
- Natural therapeutic oils
- Private/semi-private rooms
- Special diets
- Activity & cozy sun room areas
- Fenced lawn & patio
- 24-hour nursing/CNA staff
- Personalized activity programs
- Medication management/ Administration
- One-on-one time/behavior monitoring
- Bathing, dressing, mobility assistance
- Incontinence care

Choosing an Assisted Living or Memory Care setting for a loved one can be very difficult decision. We would like to help. Contact our professionals who have years of experience in meeting the intimate care needs of seniors. At CCRH, your loved one will receive TLC from a professional staff of RN's, LPN's, and CNA'S.

CCRH offers the highest quality of senior services in the area. **As one requires more care, extended services are included:**

- Oxygen therapy/respiratory Care
- Wound Care
- Urinalysis/Catheter Care
- Diabetic monitoring/blood work
- Medicare covered physical therapy
- In-house doctor/podiatry visits
- Mobile x-ray services
- Hospice Care

Quality first – it's the heart of the matter.
